*Please note that January 14 is now a full-day meeting for teachers. We are going to be trained in a Virtue-Based Restorative Discipline program. We hope to implement a faith-based, positive discipline program. More details will be sent home.

**February 18 was supposed to be an Early Dismissal Day. The public schools are now having a shortened day on February 18. We decided that we will need a full-day faculty meeting. This should help eliminate conflicts with dismissal and busing.

Both January 14 and February 18 will be virtual learning days. Students will not come to school these days, but they will have assignments to complete at home. We cannot live-stream since the teachers have meetings. These days will still count as school days. More details will be sent home closer to these dates.
