

Tuition and Fees

Saint Cecilia Parish School is a Christ-centered community committed to our Catholic identity and academic excellence. Since 1925, thousands of children have graduated from St. Cecilia School, well prepared for higher learning and for leadership in our church and community.

Catholic school education at St. Cecilia School is an investment. The value of this investment is evident in its rich history and heritage. As you commit to send your children to SCS, you will know firsthand the value of this investment today and well into the future.

Our K to 8 FLAT TUITION RATE for 2024-2025 will be \$4750 and the non-refundable FAMILY REGISTRATION fee is \$200. While the Archdiocese recommends a 6% increase, this new rate is only a 2% increase. This amount is the MAXIMUM that a family pays in tuition for one child in kindergarten through eighth grade with no financial assistance. All fees to support technology, art, and stationery are included in tuition. Our Pre-K TUITION for 2024-2025 will be \$5150, plus a \$200 nonrefundable registration fee per child.

Due to the generosity of many donors to EITC/OSTC (BLOCS, Foundation for Catholic Education, Children's Scholarship Fund, and more), our St. Cecilia Parish subsidy, St. Cecilia Scholarships (Parish Scholarship, OLPH, and more), fundraisers (such as the Alumni Run), and more, 82% of our families receive a substantial discount. We STRONGLY ENCOURAGE ALL families to apply for financial aid through FACTS Grant and Aid. You may qualify for tuition assistance if your household income is below \$127,532 with one dependent (add \$19,088 for each additional dependent). In order to qualify for ANY scholarship, you must fully complete the FACTS Grant and Aid application. To assess Tuition Assistance, please click [here](#):

All families are charged the Flat Tuition Rate. In order to qualify for the Parish Scholarship, families MUST be registered members of St. Cecilia Parish, worship with the faith community every week, contribute financially to the parish (\$600 in 2023 and \$620 in 2024), and participate in the life of the parish and school. Members of St. William Parish must contact their parish for a St. William Parish Scholarship.

We realize the sacrifices parents make to send their children to St. Cecilia Parish School. Ever mindful of your sacrifices, we work tirelessly to be good stewards and to provide a quality, Christ-centered education for your children.
